RE: Downtown Palm Springs Park

Mayor Moon and Council Members,

I am writing on behalf of the board of the Palm Springs Modern Committee to wholeheartedly endorse the naming of the the future downtown park for one of the early civic leaders of our town, Nellie Coffman.

As the park will be located on a portion of the former Desert Inn hotel property and Coffman was the founder of the hotel which went on to play such an important role in transforming Palm Springs into the world renowned destination it is today, we believe this name is a wonderful way to connect people to this part of Palm Springs' history.

Regards

Chris Menrad
