Subject: Fifth Patrick McGrew Memorial Research Grant

Dear Luke,

On December 11, 2023 the Palm Springs Preservation Foundation (PSPF) board of directors voted unanimously to support your proposed research efforts regarding local modernist architect John Porter Clark. The intent of the grant is to allow you to research and investigate archival materials at various repositories (including those found in private collections) to expand the knowledge of this important, and prolific, architect. We likewise concur with your assessment that such research is “long overdue” and thank you for your letter of November 13, 2023 in which you make a compelling case for the merit of such research. We ask that your research work be completed by December 31, 2024.

Additional conditions of this grant include:

1. That PSPF be provided, as a deliverable, an electronic or hard copy of the final research product (to include an interactive map of Clark’s projects); and,
2. That PSPF is granted full rights to publish any, or all, of the final research product in any format (electronic or hard copy) at any time we deem appropriate; and,
3. That PSPF is authorized to make announcements regarding this grant to publicize our grant program.

Accordingly, we are forwarding a grant check in the amount of \$5,000.00 and will consider redemption of this check as your acceptance of the conditions and parameters contained herein.

The PSPF point of contact is Ron Marshall at info@pspreservationfoundation.org.

Kind regards,

Gary Johns
President
