RE: Request for Public Records – Notice of Extension
Various Records concerning historic preservation

Dear Mr. Rosenow:

This letter is in response to your correspondence requesting public records concerning historic preservation received by the City of Palm Springs on December 17, 2016.

This letter shall serve as the City's notice of extension as to whether the request(s), in whole or in part, seeks the production of non-exempt, non-privileged disclosable public records in the possession of the City, pursuant to the California Public Records Act (Government Code § 6250 *et seq.*).

Specifically you requested the following public records:

All records, including letters and emails produced between June 1, 2015, and December 17, 2016, relating to "historic preservation" received from the Agua Caliente Band of Cahuilla Indians (ACBCI) (hereinafter referred to as the "Tribe"), and "tribal historic preservation policy and procedures" from city of Palm Springs City Council members, the City Manager, the City Attorney and the Planning Services Department staff."

The City of Palm Springs continues to search its files and records for additional documents; however, the City will not be producing any records, or portions of records, deemed responsive to your request that are protected from disclosure pursuant to the attorney-client privilege, and the attorney work-product doctrine. (See Government Code §6254(b), (k), and §54950 *et. seq.*).
